

SMASH YOUR PERSONAL RECORD

ADVANCED

Looking to top your marathon best? In this 16-week program, you'll take your training to the next level and devote yourself to setting your marathon PR. You'll run high mileage week after high mileage week, peaking at 57 miles. Each week you'll mix speed work, maintenance runs, long runs, and cross-training. Your training will also call for a half marathon midway through your program. Get ready. Your marathon PR awaits. Make sure to track your runs with **Nike+ Running** and download **Nike Training Club App** for access to great cross-training workouts.
