MEDICAL SUPPORT

Medical support is available at 22 on-course locations: medical tents are located at all 20 aid stations with additional medical tents located between Mile 14 and Mile 15 and in the final mile. Medical tents are indicated by tall, red, blade signs with the medical icon. Each medical tent has access to ambulance service and is staffed by a team of medical professionals equipped with medical supplies and equipment.

In Grant Park, the Main Medical Tent, Podiatry Tent and Ice Station are located directly beyond the finish line. An additional medical tent is in Grant Park adjacent to the 27th Mile Post-Race Party. For the safety of all participants, only those requiring medical assistance may access the medical facilities. Participants who feel like they need medical assistance on race day are encouraged to seek help from a medical volunteer or to visit a medical tent in Grant Park or on course.

Lend a hand, save a life! Participants, volunteers and event staff are encouraged to watch an instructional Hands-Only CPR video in advance of race weekend. This training is critical and can be lifesaving.

AMERICAN RED CROSS REUNIFICATION SERVICES

If a participant is transported to a local area hospital at the discretion of the medical team, the American Red Cross of Greater Chicago's Reunification Services staff will be on hand in Grant Park to provide information regarding that patient to family and friends. Reunification Services staff can be found in the Information Tents located throughout Grant Park as well as at the American Red Cross Reunification Services area. Family members may also call 888.659.9877 from 7:30 a.m. to 7 p.m. on race day to speak with a Reunification Services Operator to inquire about a patient. Refer to the course map for locations and inform friends and family of this service in advance of race day.

All participants should respect the distance and only partake in the event if properly trained and physically prepared to complete the distance. Participants unable to participate in the 2025 Bank of America Chicago Marathon can cancel their entry through Wednesday, October 8 via their participant account. While all event fees (entry, ancillary products, etc.) are non-refundable and will not be applied to a future event, participants who cancel their entry will have access to a guaranteed entry for the next event. This feat is accomplished by individual participants who sign on to support an affiliated cause and commit to fundraising as a part of their Chicago Marathon journey. Every organization allows its team of runners the distinct opportunity to make more of their Marathon experience by not only accomplishing a personal goal on race day, but by contributing to a larger goal and giving back to a worthy cause.

For the Bank of America Chicago Marathon charities, their mission begins months in advance as they work to ensure runners accomplish their performance and fundraising goals. Each organization dedicates countless hours and resources to recruiting, planning and organizing their charity runner program. The experience begins with training runs for many of the runners along Chicago's lakefront path and suburban locations and continues with gatherings race weekend. Charities focus on creating a memorable experience for their runners that lasts well beyond the finish line.
